CORNERSTONE WORKSHOP

3rd and 4th November 2025

Shallowford House

St Martins Walsall

We are delighted to announce
that we have successfully rolled out our pilot
Cornerstone workshops.

Allowing our first batch of churches to be able
to work effectively in the new platform provid-
ed by the Church of England to help churches to
break down their financials through the fantas-
tic insights area, boost generosity and other
projects via the amazing pathways and also to be able to access the grants database.

Our People

We would like to say thank you to
everyone who attended the pilot
workshops. Was so lovely to see
so many teams from our churches
and PCC's gathering together to
start their Cornerstone Journey
together.

It is good to have the experience of so many churches consolidated. It is a long awaited resource that, when used, could greatly support the ways that parishes resource their needs.

It's a good resource thank you

Very well delivered and relevant to us. I arrived feeling burdened that once again I had set a deficit budget but left feeling energised and hopeful that we had some new tools to help us engage new givers.

Needed more space on the tables. Pleased that we can bid for funding. Great that there is a team from Lichfield & Cornerstone to help.

So what are the next steps?

Our mission is to deliver our Cornerstone workshops to every Deanery within the Diocese of Lichfield. This will allow all churches to be able to attend a webinar from the comfort of their own homes and also to attend a face to face workshop to collaborate with other churches in your Deanery, provide full platform training and to help your church to boost giving and generosity. A list of Webinars provided for your Deanery will be published soon so watch this space, Cornerstone is coming to a venue near you.
