

***Be still my mind  
Be still my soul  
Be still my heart  
God is enough***

**Father let my mind be still  
May your word direct my thoughts  
Protect me from all evil will  
You are enough**

***Be still my mind...***

**Jesus help my heart to know  
Your presence here within the storms  
May your words 'Be still' take hold  
You are enough**

***Be still my mind...***

***Bridge - Lord teach us to pray x4***

**Holy Spirit fill my soul  
With the living water flow  
With your breath renew my call  
You are enough**

***Be still my mind...***
